PORTABLE BROIL

Ärenath Portable Broil is an innovative and demountable designed barbecue that will allow you to take your barbeque practically wherever you want. Ärenath Portable Broil is ideal for camping, the beach, outdoor events, gathering with friends or for those homes that have small space to install a conventional barbecue.

Ärenath Portable Broil is easy to use, low maintenance since it is made of high resistant material. When owning an Ärenath Portable Broil you will have the guarantee of enjoying a long lasting barbecue.

Ärenath Portable Broil offers to its owners the Parts Guide, so you will be able to order any particular part, this way you will just replace the part you need without having to buy a new barbecue.
